

“Renounce Your Rainbow Promises”

by Lora Brown

Finally, a booklet about one of Freemasonry’s more popular junior affiliated Masonic orders, the *International Order of Rainbow For Girls*. *Renounce Your Secret Promises* was written by someone who was an ardent member for seven years and was a Worthy Advisor and Grand Representative, who received several awards and was recognized by her Assembly to receive an Honor. This booklet forges the way to understanding Rainbow and affiliated Masonry for women and children specifically and Freemasonry in general.

This booklet introduces you to the author, Lora Brown, who shares her testimony and tells about “Rooftop Ministries” which she founded in 1989. You will learn about Ex-Masons For Jesus, Christianity and salvation. “Renounce Your Rainbow Promises” is replete with exposes’ on Freemasonry and Rainbow, revelations of exoteric and esoteric symbolism, explanations of the influence of Freemasonry upon Rainbow and other affiliated Masonic Orders. The plan of salvation is explained, a sample prayer of salvation included along with a sample letter of withdrawal, “*Renounce Your Rainbow Promises*” is the first booklet of its kind. It gives you an inside look at Secret Societies from someone who has come out of one. It is concise, thorough, accurate and non-sensational.
